=============== A multi-talented football utility designed to provide all the relevant information for professional football games. The user interface is quite intuitive and has been kept simple in order to provide the required functionality without overloading. Besides displaying the score, the application allows you to configure the 'Running Time' of each quarter and the 'Break Warning Time', as well as the 'Quarter Length' and the 'Half Time', for a more realistic game experience. On the other hand, once the 'Play Start' button is pressed, the screen goes into full color. The application offers a clear timer and allows you to display your scores. In case of goals, you can use the 'Buzzer' sounds or the 'Hotkey', which you can assign to your needs. Moreover, the tool enables you to set the 'Digit Type' and the 'Letter Type', as well as the 'Letter Height' and the 'Letter Scale' and the 'Dot Width' to present the team and player logos. The user interface is simple and intuitive and allows you to move around and zoom in and out of the application. Australian Rules Football Scoreboard Key Features: ============================= *Display the score and team logo. *Configure the 'Running Time' for each quarter and the 'Break Warning Time'. *Display the 'Quarter Length' and 'Half Time'. *Configure the 'Digit Type' used to display the timer and the score. *Select the 'Letter Type' and the 'Letter Height'. *Configure the 'Letter Scale' and the 'Dot Width'. *Ability to configure the player details: name, uniform number, position. *Display the team logo. *Ability to play the sound files of different breaks and get notified of the result. *Display the 'Goal Tally' either at the top right of the screen or in a separate window. *Adjust the colors and fonts for the scoreboard. *Ability to create animated sequences in PowerPoint. *Ability to display the player, team and round logos. *Multiple language support. *Ability to import and export file formats. *Ability to play back the result of each game from any previous game. *Ability to view the game map of the current game. *Useful information for the players and the spectators. *Useful information for the coach and

System Requirements:

Minimum: OS: Windows 7 Processor: Intel(R) Core(TM) i3-3210 CPU @ 3.10GHz or AMD equivalent Memory: 4GB RAM Graphics: NVIDIA GeForce 8600 GS or AMD Radeon HD 5870 or better DirectX: Version 9.0c Hard Drive: 100MB available space Additional Notes: The graphics card installed in your computer should support graphics APIs 1.2 and above. For list of supported graphics card, visit DirectX 12.0 API Compatibility page.
