The main character is a CIA agent named Agent K. The story is set in the real world, in the present day, and in the near future. It is set in New York City, where the main character is struggling to balance his personal life with his professional one. He is very involved in his

family life, spending time with his wife and son. He is also very involved with his work life, handling his investigation of various crimes and keeping an eye on various people for the CIA. The game is centered around spy games and he works for the CIA in an effort to rescue his son, who is captured by terrorists. A sequel of the NBA Live series, NBA 2K13 features improvements and major changes. NBA 2K13 focuses on realism as well as including more content and new gameplay elements. The game is heavily influenced by the long-time NBA 2K series franchise. It also includes some football gameplay elements, with a graphical user interface similar to those in the FIFA series. NBA Live 13 is a
